EMPLOYER'S RESPONSIBILITY

PLEASE READ CAREFULLY/Yes, you need to read this please.

1. **THIS IS VERY IMPORTANT!** All keys must be put in the prearranged places as noted above. You must test the keys to make sure they not only start the car but that it will run. Newer cars will only run with a specific key that has a chip or the electronic key fob and a copy won't suffice. If you lock the car with your fob but don't leave us one, or one with a dead battery we won't be able to disarm the alarm and thus, can't move your car which = a very sad situation for you! Again, the last thing you should do before you launch is double check your key is where it is supposed to be!
2. **SO IS THIS.** You must leave signed WAIVER in vehicle. We cannot move your vehicle without your authorization. Please leave under driver's side floor mat of lead vehicle.
3. All changes, especially regarding keys, must be made prior to launch and **must** receive a confirmation from Coyote Shuttle. There is no cell service at many of the launches, including Potash, Mineral Bottom and Ruby Ranch.
4. Please make sure your tanks are **FULL!** **PLEASE NOTE: We will not be responsible for vehicles that run out of fuel and we will not transport vehicles left with empty tanks.** A full tank is enough for us to get to the takeout and you out to a gas station for Cataract Canyon and Labyrinth Canyon. There is no need for you to leave extra money unless your vehicle is greedy.
5. If you leave money for a tip or for extra fuel, please make a note of it as any extra money will be used to buy burgers at Ray's Tavern in Green River. ;)
6. You must inspect your trailer before your trip to make sure the tires are inflated and bearings are in good condition. Make sure the **deck is secure** even without a boat on it to hold it together. If it is locked on, keys must be left in vehicle in an **obvious** place in case of trailer failure.
7. We will not be responsible for any costs incurred if your vehicle breaks down. We will do our best to get it to a safe spot or follow your instructions specified below. You will be billed for any additional service provided by Coyote Shuttle, LLC.
8. Do not leave trash or anything in the bed of trucks or trailers. Please deal with your trash before you launch. It attracts animals and/or will blow out while driving and will cause a mess. If we have to clean up your trash, we will put it inside your rig.
9. Please keep valuables hidden from view. In our 25+years, no one has ever reported damage to vehicles or property loss at the parking areas but let's not tempt anyone.
10. Vehicle must be insured and have a current registration.

SPECIAL INSTRUCTIONS and VEHICLE IMPERFECTIONS. (Examples: "extra \$\$ is for tip (thank you)", "fuel gage doesn't work", "passenger window is broken", "check engine light always on" etc.) CHANGES TO RESERVATION DETAILS INCLUDING KEY PLACEMENT ARE TO BE MADE ONLY THROUGH THE OFFICE. NOT HERE.

If my vehicle or trailer becomes inoperable please: (Initial) 1. Tow to the nearest town and I will reimburse all towing costs with credit card on file. _____ 2. Leave in as safe as possible location and I will recover vehicle _____
